Jim:

Re para 1 of attached memo from the DCI, there seems to be a partial disconnect here. The DCI should clearly understand that the [] group is underway, has set at least two specific benchmarks, etc.

I have talked with Ed about some of the other items in the HRTF Report. We have not yet set a schedule on these suggestions/proposal.

Re para 2, please recall that I went to discuss the SIS ceiling issue with [] OP is collecting data for me.

If there is a meeting with the DCI as follow-up to this note, I'd like to be there.

SUBJECT: Report of the CIA Human Resource Task Force

1. I'd like to meet with the three of you to review what our objectives should be and on what kind of a schedule we can move ahead on this report of the program for CIA personnel strategy for the 1990s. I would like to start by developing a realistic schedule against which we can check progress.

2. Would you also have prepared a letter of comment to on the suggestions that he sent in his letter of 6 October 1986.
